“The attributes that attracted us to Showcasing are the same as that of Coach House. We’ll continue to support him with our mares and are delighted to have the dam of Tasleet in-foal to him.”

Ed Harper,

“His impressive pedigree and race performance are there to see, but go and see the horse, he’s absolutely correct, with great movement and a fantastic temperament; I can’t wait for the chance to sell his foals and yearlings.”
